Sean Patrick Maloney
U.S. House of Representatives
18th District, New York

The Honorable Mitch McConnell
Majority Leader
United States Senate
317 Russell Senate Office Building
Washington, D.C. 20510

Dear Majority Leader McConnell:

As you consider your schedule for the coming year, I urge you to take immediate action on the ever present issue of per- and polyfluoroalkyl substances (PFAS) contamination. Recent research has shown that our nation's drinking water supply is still vulnerable to PFAS contamination, threatening the health and safety of families across the United States.

On January 10, 2020, the House of Representatives passed a strong bipartisan legislative package to address PFAS contamination in my district and across the country. The *PFAS Action Act*, which includes my bill the *PFAS Testing Act of 2019*, is a historic step forward in setting testing requirements, mandating the cleanup of waste sites, and banning dangerous toxins in consumer goods.

I urge you to prioritize progress and action on this vital issue and bring this key legislation to the Senate floor for consideration.

Thank you for your time and attention to this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Sean Patrick Maloney", with a large, stylized flourish at the end.

Sean Patrick Maloney
Member of Congress
